The screenshot shows the login page for the AHCA/NCAL National Quality Award Program Portal. At the top, there are logos for AHCA (American Health Care Association) and NCAL (National Center for Assisted Living). The main heading is "Welcome to the AHCA/NCAL National Quality Award Program Portal". Below this, a paragraph explains that the program provides a pathway for long-term and post-acute care providers to achieve performance excellence through three levels of awards: Bronze, Silver, and Gold. Three award medals are displayed: a silver medal for Bronze, a gold medal for Silver, and a bronze medal for Gold. On the right side, there is a "Login" section with input fields for "Email" and "Password", and a yellow "Login" button. Below the button, a note states that the login credentials are different from the AHCA/NCAL website and provides instructions on how to retrieve or reset them. At the bottom left, there are sections for "APPLICANTS" and "EXAMINERS" with brief descriptions of their functions.

A screenshot of a web browser showing a 'Request Password' pop-up window. The window has a title bar with 'Request Password' and a close button (X). Below the title is a label 'Email:' followed by an empty text input field. Underneath the input field is a reCAPTCHA widget with a checkbox labeled 'I'm not a robot' and a reCAPTCHA logo. At the bottom of the form is a yellow 'Submit' button. The background shows a blurred view of the Quality Award Applications page.

A screenshot of the same 'Request Password' pop-up window, but now it contains text instructions. The title bar remains the same. The text inside the window reads: 'If you have an account on this site, you will receive an email with instructions on how to reset your password. If you do not receive an email (and are certain you have an account registered to the email address provided), please check your spam or junk folder for the email. We also recommend that you add qualityaward@ahca.org to your safe sender list. If you have questions please email the Quality Award team at qualityaward@ahca.org'.
