Employee Screening Services

Employee Relations, Inc. specializes in providing comprehensive employment screening services for providers throughout the health care industry. *Employee Relations* has an online system allowing employers to choose the necessary screening services.

- **Pre-Verify:** A money saving tool that screens out applicants before a complete background investigation.
- **Background Checks:** Choose from ID trace, criminal and civil records, former employment and education, sex offender, federal sanctions, and drug testing.
- **E-Verify:** Checks the work status of new hires online by comparing information from an employee's I-9 form against SSA and DHS databases.
- **Employee Hotline:** Helps management take action early.

Employee Relations provides a host of human resource solutions and extensive national database searches for employee screening and reduces liability risks in the staff hiring process. Go to www.employeerelations.com to secure the special AHCA/NCAL pricing.
