American Health Care Association, Health Services Research and Evaluation, October 2011

Source: CMS's Online Survey Certification and Reporting System (OSCAR) Intermediate Care Facilities for person with Mental Retardation/Developmental Disabilities standard health surveys as of October 2011; reporting surveys conducted during most recent three year period.

NOTE: Conditions of Participation citations are W102, W122, W158 W195, W266, W318, W406 and W459.

The average number of COP deficiencies were computed by taking the total number of COP citations on each standard survey conducted during the most recent three-year period and summed across all surveys within each state and this total was divided by the number of surveys during the period.
