Oklahoma uses the provider assessment program to stabilize Medicaid rates to nursing centers and more adequately fund quality, long term care services for seniors and individuals with disabilities. A budget proposal from Congress to reduce the effective cap on provider assessments to 5.5% would limit Oklahoma’s ability to finance an already underfunded Medicaid program.

**ASK CONGRESS...**

To oppose any legislative proposal that would reduce the Medicaid provider assessment rate or quality assessment fee.

### Provider Assessments

Current Rate: **6.00%**

Impact of Reduction to 5.5%:

**$166 million over 10 Years**

### Medicaid in Oklahoma

Underfunding in Nursing Center Care in 2013:

**$56 million**

$11.94 per Medicaid patient, per day

**65.9%** of residents rely on Medicaid for daily nursing center care.
