2020 National Assisted Living Week® | “Caring is Essential"
Sample Social Media Posts for Assisted Living Communities

Please note: Every resident has a right to privacy. Prior to posting any pictures of residents online, make sure you have their authorization. Have each resident or their guardian sign your community or company’s image release form.

FACEBOOK & INSTAGRAM

Tip: Since statistics show your Facebook posts will have more engagement if you attach a photo or a video, these sample social media posts will work great on both Facebook and Instagram. However, you won’t be able to tag NALW on Instagram. One more tip—make things easier by linking your Facebook page to your Instagram account, and posting to both simultaneously.
