Adding or Removing Centers from your List
Since corporate ownership information in the Quality Award Portal is sourced from LTC Trend Tracker, both actions need to be completed through LTC Trend Tracker by one of the corporation’s LTC Trend Tracker Account Administrators.

A Trend Tracker Account Administrator will need to do the following:

1. After logging into LTC Trend Tracker, click on Administration located on the left-hand side of the screen.

2. Next, click on “Manage My Organization”.

   a. You will be taken to the Manage Organization page

3. Within the “Organization Centers/Communities” section on the Manage Organization page, click the Manage button.

   a. This will take you to the Manage Organization Centers/Communities page where you can review and edit the facilities that are attached to your organization. You can also

4. Add or remove centers from your organization following the steps below:
   a. The **Centers/Communities Attached To Your Organization** section of this page display all facilities that are currently attached to your organization. **Note:** Center names displayed in LTC Trend Tracker are drawn from the CASPER database\(^1\) and reflect the legal entity name that is registered with CMS. This cannot be changed by the user or Account Administrator. Any desired change needs to be made by modifying with CMS directly.
      i. **To remove a center** - Click on **Detach**.  
         **Note:** This removes the center from your organization entirely – they will no longer appear on your list of centers unless re-attached.
   b. The **Centers Not Attached to Your Organization** section of this page, allows you to search for and select centers that are available to be attached to your organization. You will be able to search for any center that is within the CMS CASPER database that is not currently “attached” to another organization.  
      **Note:** for a center to be attached to your organization, AHCA/NCAL must approve the attachment by verifying ownership and AHCA/NCAL membership status. AHCA/NCAL may request the CMS 855-A for any request to attach a center to an organization. Note, if you want to add a building that is attached to another organization you will need to send a copy of the CHOW or CMS 855-A to help@ltctrendtracker.com.
      i. **To add a center** -
         1. Type any part of the name of the center/community within the search box or enter in the NCAL ID or Medicare Provider Number (if known) and click **Search**. If your search does not return a

center/community you are expecting, try making your search less specific.

2. When you see the center/community you are looking for displayed in the list, click the Attach button that will appear on the same line as that center name.

3. The center name should now appear in the “Centers Pending Attachment to your Organization” section.
   a. Once requested AHCA will automatically receive a notification to commence the verification of membership and ownership status within 1-2 business days. The center will move to the “Centers Attached to Your Organization” list once completed.

Once these changes are made in LTC Trend Tracker, please allow up to one business day for them to be reflected in the Quality Award Portal.
