The Journey to Gold

Vista Pacifica Convalescent's journey through quality award program has resulted in significant growth, improvement and innovation on all levels of our organization. Our journey from Bronze to Gold enabled us to identify our strengths as an organization and our opportunities for improvement and growth. Throughout this journey we refined our processes and furthered our commitment to continuous quality improvement and creating the greatest environment possible for our patients, customers and workforce.

Highlights

- ❖ Vista Pacifica Convalescent has exceptional staff retention with a 90% Direct Care Nursing Staff Retention Rate
- ❖ Vista Pacifica Convalescent has an engaged workforce with 50% of our staff having worked here for more than 5 years.
- ❖ Vista Pacifica Convalescent has strong leadership, with 50% of our Senior Leaders having worked here for 10 years or more.
- ❖ Vista Pacifica Convalescent provides exceptional care, maintaining a 5 Star in Quality since 2014.
- ❖ Vista Pacifica Convalescent is committed to high quality care for its residents. As a result Vista Pacifica has been a recipient of the California Quality Accountability & Supplemental Payment (QASP) award for 3 consecutive years, including the improvement award in 2019.
