The Journey to Gold
The Gold Award experience provides the systematic processes needed to ensure the continuity of excellence to meet or exceed our customer expectations. Through this experience, the Parker at Stonegate team learned how to plan, lead, listen, measure and evaluate those processes to move the organization forward and make aging part of life.

Highlights
- Parker at Stonegate has maintained an average retention rate of 90% over the last five years which is more than 23% above industry averages. In 2018 Parker at Stonegate received the highest honors award from the Hollern employee satisfaction survey. This award recognized our outstanding efforts in providing the highest level of service to our staff. Parker at Stonegate exceeds expectations in engagement, satisfaction and provides an exemplary workplace culture.

- Parker at Stonegate uses its core values: Vibrant, Creative and Enriching, as the backbone for innovation and learning. Through these values, Parker at Stonegate strives to improve the lives of the residents they serve by creating meaningful change that enhances residents’ quality of life daily.

- An onsite health, wellness and aquatics center and a robust horticultural therapy program keeps Parker at Stonegate residents physically fit and emotionally strong and encourages residents to live a healthful life.

- Parker at Stonegate’s culture reflects a true person directed model of care where residents drive programming, dining and delivery of clinical care to their individual choices and preferences.
